ROSSOBASTARDO

★ ITALY Umbria

Signæ Cesarini Sartori Rossobastardo, Umbria Rosso IGT
Red Wine

\$17.75

Umbria, located at the heart of Italy, mostly produces white wines. This cuvee will prove the region's capacity to roll out excellent reds as well. Rossobastardo is a blend of Sangiovese, Merlot and Cabernet Sauvignon. It is mostly aged in stainless steel vats (75% of the cuvee) and oak casks.

Empyreumatic notes as well as scents of wild fruits, spices wood and vanilla make up the nose. The ample mouth offers tight tannins and lasts in a sustained finish.
